Dear Kim:

I want to take this opportunity to thank you and your staff for your exceptional commitment towards the construction of Spire-Denver's trash delivery systems. I am particularly impressed with the quality of Valiant's people, processes and the ability to remain flexible in working with JE Dunn Construction – Rocky Mountain. I especially appreciated the attitude of your Managerial and Production staff as we dealt with multiple schedule changes that occurred during the course of construction and yet still received our product on time. I would recommend the use of Valiant's trash delivery system and look forward to working with your company in the future.

Sincerely,

JEDUNN CONSTRUCTION
